## ADVICE NOTES

It is extremely important that permission should be obtained from parents, guardians or carers of any young person under the age of 18 years who is wishing to join a club or team of adults, or people over 18 years of age. **Both the club or team, and the parents, guardians and carers have a right and a responsibility to make sure that children within their care are safe at all times.**

A good club or team will:

- have a trained Child (Club) Welfare Officer.
- have adopted the BSUK Welfare Policy or have its own Child Protection Policy.
- ensure that and volunteers or coaches that work with young people have been suitably checked ie CRB Disclosure.
- have a written code of conduct for team officials working with young people.
- have qualified coaches.
- have adopted the BSUK Equity Policy.
- have a complaints procedure.
- welcome any questions a parent, guardian or carer may wish to ask about the club or team.
- will have achieved or be attempting BSUK Club Accreditation.

Parents, guardian's and carers should have concern if a club or team:

- discourages them from watching or becoming involved.
- encourages rough play, humiliating punishments or sexual innuendo.
- do not follow the rules of baseball or softball.
- encourage favouritism, personal reward or inappropriate physical contact.
- have poor communications with parents, guardian's or carers.
- have their young person drop out for no apparent reason.

The safety of our children and young people is of paramount importance to BSUK and any further information can be obtained from the BSUK Child Welfare Lead Officer at <http://www.baseballsoftballuk.com>
